**Description**

OUR REF. † AYB001011 GENERAL Teal is a very special boat/Drascombe. She was built for her owner with special permission from the Watkinson (Drascombe) family in 2011. Built to a very high standard by Charlie Hussey a marine carpenter with lovely detailing and using the best materials available. She sails beautifully and is remarkably fast! (I've raced against her in Old Gaffer Association events!) She differs from the other Drascombe Peter Boats built by the Elliot Brothers in the early 1980's by being compliant with the Recreational Craft Directive (Category C for 3 persons), she also has a boom, a foiled plywood centreboard and no outboard well. (Which would flood while beating!) She has always been stored in garage and is still in beautiful condition. BUILDER Charlie Hussey. 2011 GB-CGH00001C111 SPECIFICATION Constructed of Robbins Super Elite marine plywood (The best you can get!) and epoxy resin. Hardwood trim is African Mahogany. Hull is epoxy coated and finished in dark blue 2-pack paint. The inside is varnished in Epifanes with a matting agent to prevent glare. LOD 14'9" Beam 6'1" Draft 8"— 2'7" Foiled Plywood centreboard. Weight 175kg Sail Area 100 sq ft RIGGING Un-stayed balanced lug on. Mast, boom and yard are nicely varnished spruce. SAILS Main Tan with slab reefing. ENGINE Has never had an engine fitted – though it would be quite easy to mount one off the rear quarter. EQUIPMENT Oars and rowlocks, New blue acrylic overall cover may 2024. TRAILER Indespention combination road trailer with spare wheel. New axle, wheels and tyres fitted in 2022. Included are a set of spare wheel bearings LYING Our offices at Rougham by appointment.
