Description

OUR REF. † AYB00919 GENERAL While Nutkin is in sailable condition. She is a bit of a project hence the price! She has more than her fair share of knocks and crazing in the gelcoat. This is all above the waterline. If she were mine I'd grind and fill before painting inside and out. The teak is very nice apart from one nasty bump! (See photos). She has a new mainmast, the others are sound ideally requiring some varnishing. Reasonable sails, rudder/tiller. A bit of corrosion on the centre-plate. Good cockpit cover and oars! Trailer is sound with new hubs/bearings, wheels and tyres. A worth while project or accept her for what she is a cheap Dabber! BUILDER Honnor Marine Ltd. 1977.
